RE: The Exoneration of the Hon. Marcus Garvy

To Whom It May Concern:

May this letter find you and your family in good health and spirit. On behalf of the Believers, sympathizers and well-wishers of Muhammads Mosque #35, we are calling for the exoneration of our Brother's name and a truthful and rightful place in America's history.

Unfortunately, the burden barriers of this society or in particular, the Black, Brown and the Poor have seen our freedom fighters whom God has risen up to relieve us of our suffering, only to be rejected, fought and plotted against, because its against the well wishes of the 10% (the rich, slave makers of the poor) if America, which claims to be a Christian country. One of its greatest principals is "atonement", will this principal be practiced in this situation? Because if Bro. Marcus Garvey is exonerated, it may open the door for all the other's whose names and repetitions have been vilified for evil purposes.

If this does not happen, God himself has already exonerated Bro. Marcus Garvey and all those whom the 10% has demonized. Long live the spirit of the Honorable Marcus Garvey.

Sincerely,

/s/ Robert Muhammad
